Consider adding **COURT PLUS** to your membership and pay no court fees during weekday non-prime, weekend, and summer hours as well as 25% to 50% off permanent court time. COURT PLUS is an additional \$29 per month for an individual or \$39 per month for a couples or family membership.

## Guidelines

1. Permanent court time allows a person or group of people to secure court time for an extended period well in advance of the standard reservation time frame.
2. Permanent court time cannot be reserved during the weeks of Thanksgiving, Christmas, and New Year's Day. We are keeping those weeks open for possible DAC special events.
3. There is no guarantee that a permanent court time request will be granted if space is not available. Requests will be considered on a "first come, first served" basis.
4. If the request is approved, the "captain" will be notified, an invoice will be sent to the captain, and the full payment must be received by the 20<sup>th</sup> of the month prior to the first month of the respective permanent court time period.
  - August 20<sup>th</sup> for the September through December period
  - December 20<sup>th</sup> for the January through May period
  - May 20<sup>th</sup> for the June through August period
5. The total fee will be determined by the status of the "captain". If the captain has a COURT PLUS, Tennis Ticket, or Pickleball Passport, then the discounted rate will be applied.
6. The payment can be made with a personal check, not a credit card. If multiple checks are being submitted to cover one payment, then those checks should be submitted together at the same time.

7. If the full payment is not received by the appropriate date, the reserved court will be opened to others. If still wanting the permanent court time after the payment deadline and if available, add a \$200 late fee per tennis court or \$100 late fee per pickleball court.
8. Permanent court time can only be reserved on weekdays. Saturdays and Sundays have a variety of activities including tournaments and league matches that may require all the courts. If wanting to reserve a weekend time and willing to be flexible with changing times and days due to potential conflicts, then DAC management will consider the request.
